Article 27: Every child has the right to a standard of living that is good enough to meet their physical, social and mental needs. Governments must help families who cannot afford to provide this.

PERSONAL DEVELOPMENT EXPERIENCES WEEK

Last week our Principal hosted an afternoon tea reward for learners who are 'soaring' here on the Hill. 30 of our selected learners were able to have an informal discussion with Mr Bridges while enjoying cake, sandwiches and fruit. Well done to all who were invited.

We also welcomed the Literacy Trust who delivered a presentation to our Year 8 learners. The topic was poetry and our visiting poets delivered some outstanding performances and shared their knowledge and success. All part of 'Empower Poetry and World Poetry Day'.

Article 29: Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

DO YOU HAVE THE ARBOR APP?

Just search 'Arbor app' on Google or the app store. Then download it.

You will be able to view more information about your child such as:

- Assessment Results
- Attendance
- Behaviour incidents and detentions
- Personal details we hold

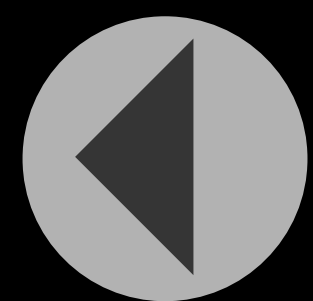

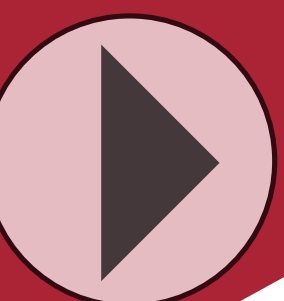

Any issues, please contact school

FAMILY FORUM 4

It seems like time has disappeared since Family Forum 3 as we near Family Forum 4. If you are interested in attending this event, between 4-5pm on Thursday 30th March, please do contact arlene.croydon@cockshuthill.org.uk

Article 14: Every child has the right to think and believe what they want and to practise their religion.

NUMERACY TIP:

Connect to school. You can ask your child what he/she is learning in maths and have him/her model this for you. Feel free to discuss how you were taught as a student and how these two methods relate.

Numeracy Student of the Week: Sumeya H (Year 8)

LITERACY TIP:

Share articles you've read from the newspaper or a magazine, especially if it's something your teenager is interested in. Sunday supplements are particularly good.

Literacy Student of the Week: I. Oattes (Year 11)

UNICEF Rights Respecting School
Article of the Month -

We are a Gold Rights Respecting School and our learners are central to all we do.

**Article 29 (goals of education)**

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures and the environment.

We have chosen this article as it supports the school motto of Nothing but the Best as everyone at CHS believes they can aspire to anything they wish to be and the staff will work to deliver a curriculum that supports aspirations.
